DNCA Invest - South Europe Opportunities - Class H-I - USD

A sub-fund of the SICAV DNCA INVEST - ISIN: LU1278538514

This fund is managed by DNCA FINANCE Luxembourg

Objectives and Investment Policy

Essential management characteristics:

South European Equities

The Sub-Fund seeks to outperform the following composite Index net return: 55% FTSE MIB, 40% IBEX, 5% PSI20 calculated with dividends reinvested, over the recommended investment term.

The Sub-Fund will at all times invest at least two-thirds of its total assets in equities of issuers having their registered office in South Europe (Italy, Spain, Portugal, Greece) or exercise the preponderant part of their economic activities in South Europe. The Sub-Fund's investment strategy relies on active discretionary management using stock picking policy. The main investment criteria are the market assessment, the issuer's financial structure, the current and forecast yield rate, management quality and the issuer's market position. The investment sectors targeted by the Investment Manager are not restricted, including with regard to new technology stocks.

The Sub-Fund may invest at any time within the following limits in:

- South European equities or related financial derivatives instruments (such as CFD or DPS): 75% to 100% of its total assets,
- Non-South European or European equities: from 0 to 10% of its net assets,
- Debt instruments including money market instruments in case of adverse market conditions: 0% to 25% of its net assets
- up to 10% of its net assets in units and/or shares of UCITS and/or AIFs.

The Sub-Fund may invest in securities denominated in any currency. However non-base currency exposure may be hedged back to the base currency to moderate currency exchange risks. More specifically, futures and currency forwards may be used for that purposes.

Exchange traded or OTC derivatives (other than CFD and DPS) can represent up to 40% of the Sub-Fund's net assets, including but not limited to, futures, contracts and non complex options negotiated on regulated markets for the purpose of hedging or increasing equity exposure without seeking overexposure.

The Sub-Fund is eligible to the PEA (french equity savings plan).

Risk and Reward Profile

1	2	3	4	5	6	7
---	---	---	---	---	---	---

The historical data used to calculate the synthetic indicator may not be a reliable indication of the future risk profile of the UCITS. The risk category associated with this sub-fund is not guaranteed and may change over time. The weakest category does not mean no risk. The risk level of this UCITS is due to exposure to equity and/or fixed income markets. The fund does not benefit from any capital protection or guarantee.

Material risks not taken into account in this indicator:

Credit risk: in the event that an issuer is downgraded, the value of the bonds in the portfolio may fall, thus decreasing the sub-fund's net asset value.

The occurrence of one of these risks may lead to a reduction in the net asset value.
